Product information

A durable and comfortable thermal glove, the Wintershield is fleece lined and made from the most hi-tech man made leather in the textile industry, ensuring maximum comfort and warmth for the wearer.

Thermal Protection Gloves

When cold thermal hazards are present, the hands' motor skills can be greatly reduced, this leads to increased risks of accidents and injury. Specially designed thermal protective gloves are available to combat these hazardous environments.

Gloves

A wide and increasing range of Hand Protection styles is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....
